IN APPRECIATION OF OUR TEACHERS

Mississippi Congress of Parents and Teachers

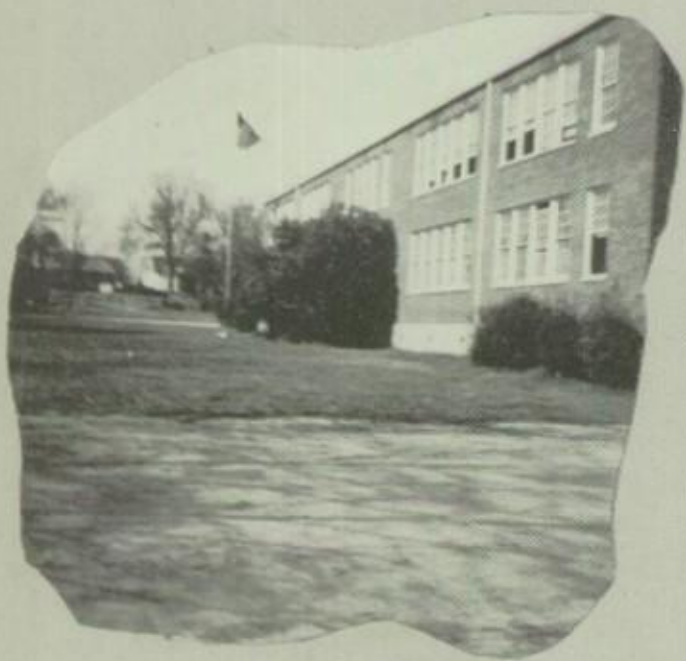

Dear Teachers,

For your sympathy and understanding of our children, for your guidance and suggestions, for your patience in any problems in our school, we say, "Thank you".

For your kindness and encouragement to our children all along the way, we are deeply indebted to you. Too often Teachers are taken for granted and Parents fail to tell them of the love of a child for a Teacher, for the high esteem in which the teacher is held. So much is left undone and unsaid for those who give so much to children.

We take this way of expressing our appreciation of you, these two pages dedicated to you, "Our Teachers".

Our best wishes always,
Utica Parent Teacher Association

DEDICATION

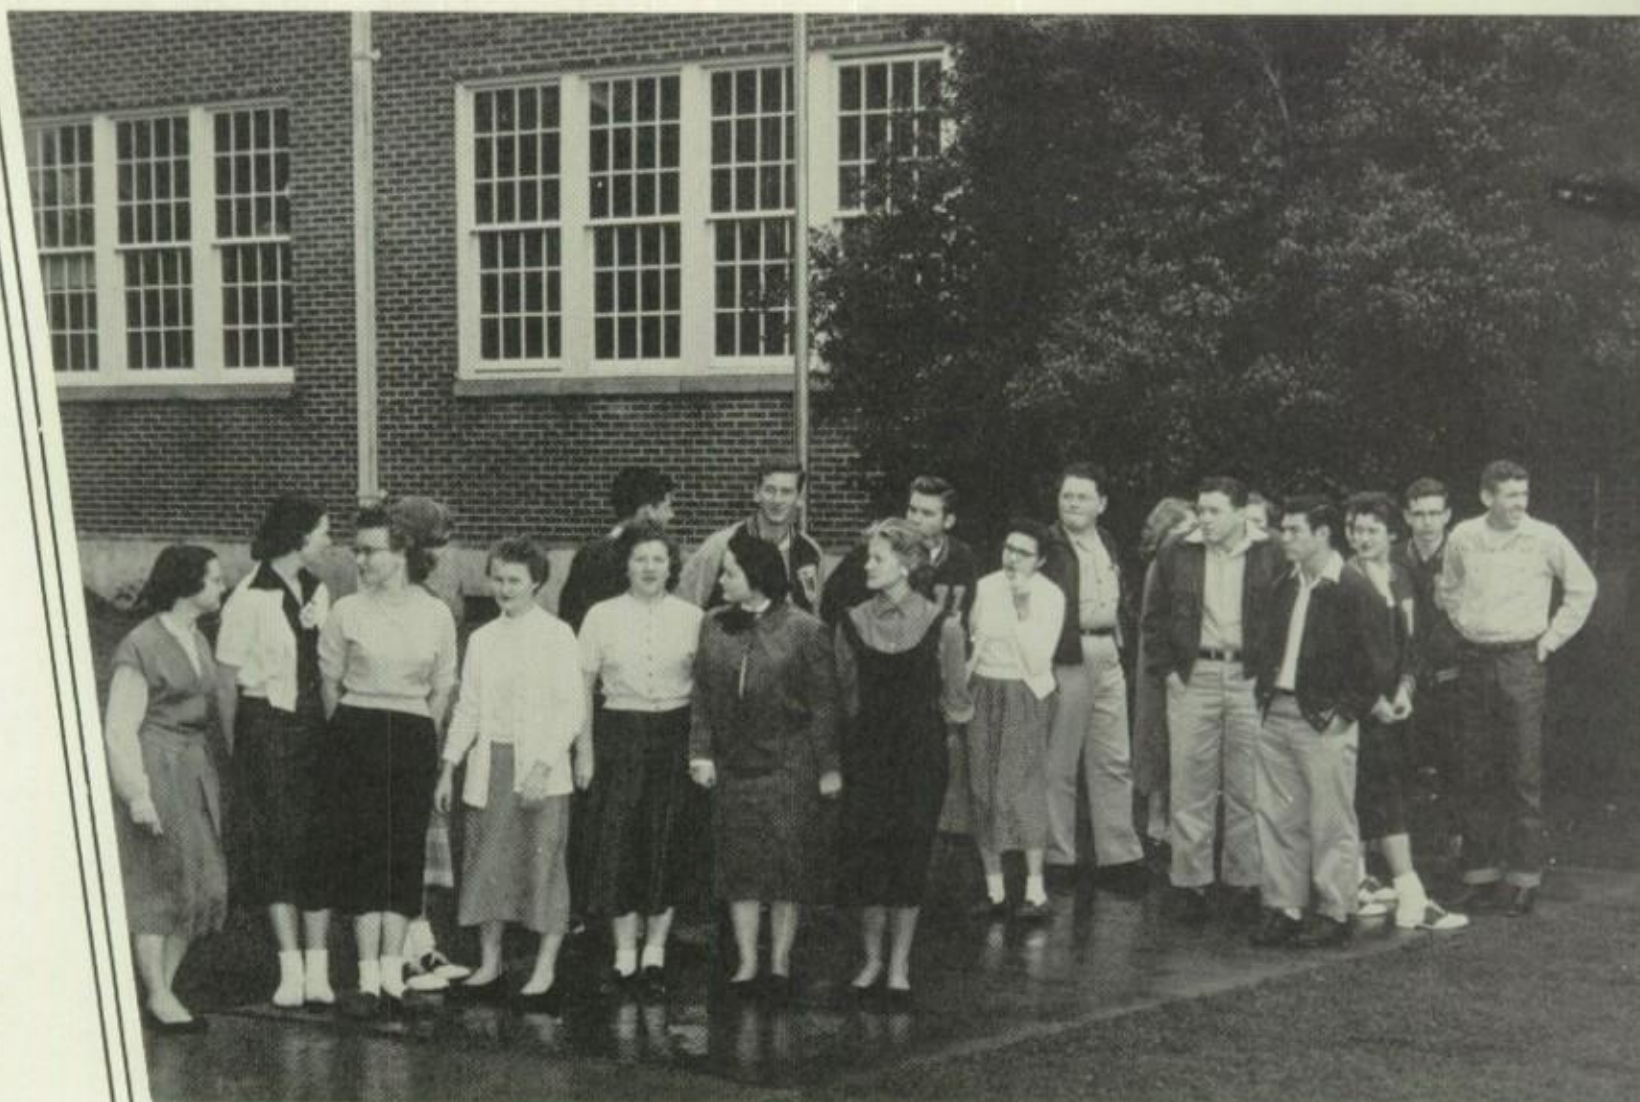

You have been a vital part of our lives during our high school days. You have been a loyal friend to us, patiently and understandingly guiding us toward maturity. You have encouraged us when we have been discouraged and wisely advised us when we have been perplexed. You have worked hard to prepare us for our big step into the adult world. You have exemplified christian character, challenging us to the highest ideals. We are deeply grateful.

As an expression of our love for you, we the Senior of 1956 proudly dedicate this 1956 UTK to you---

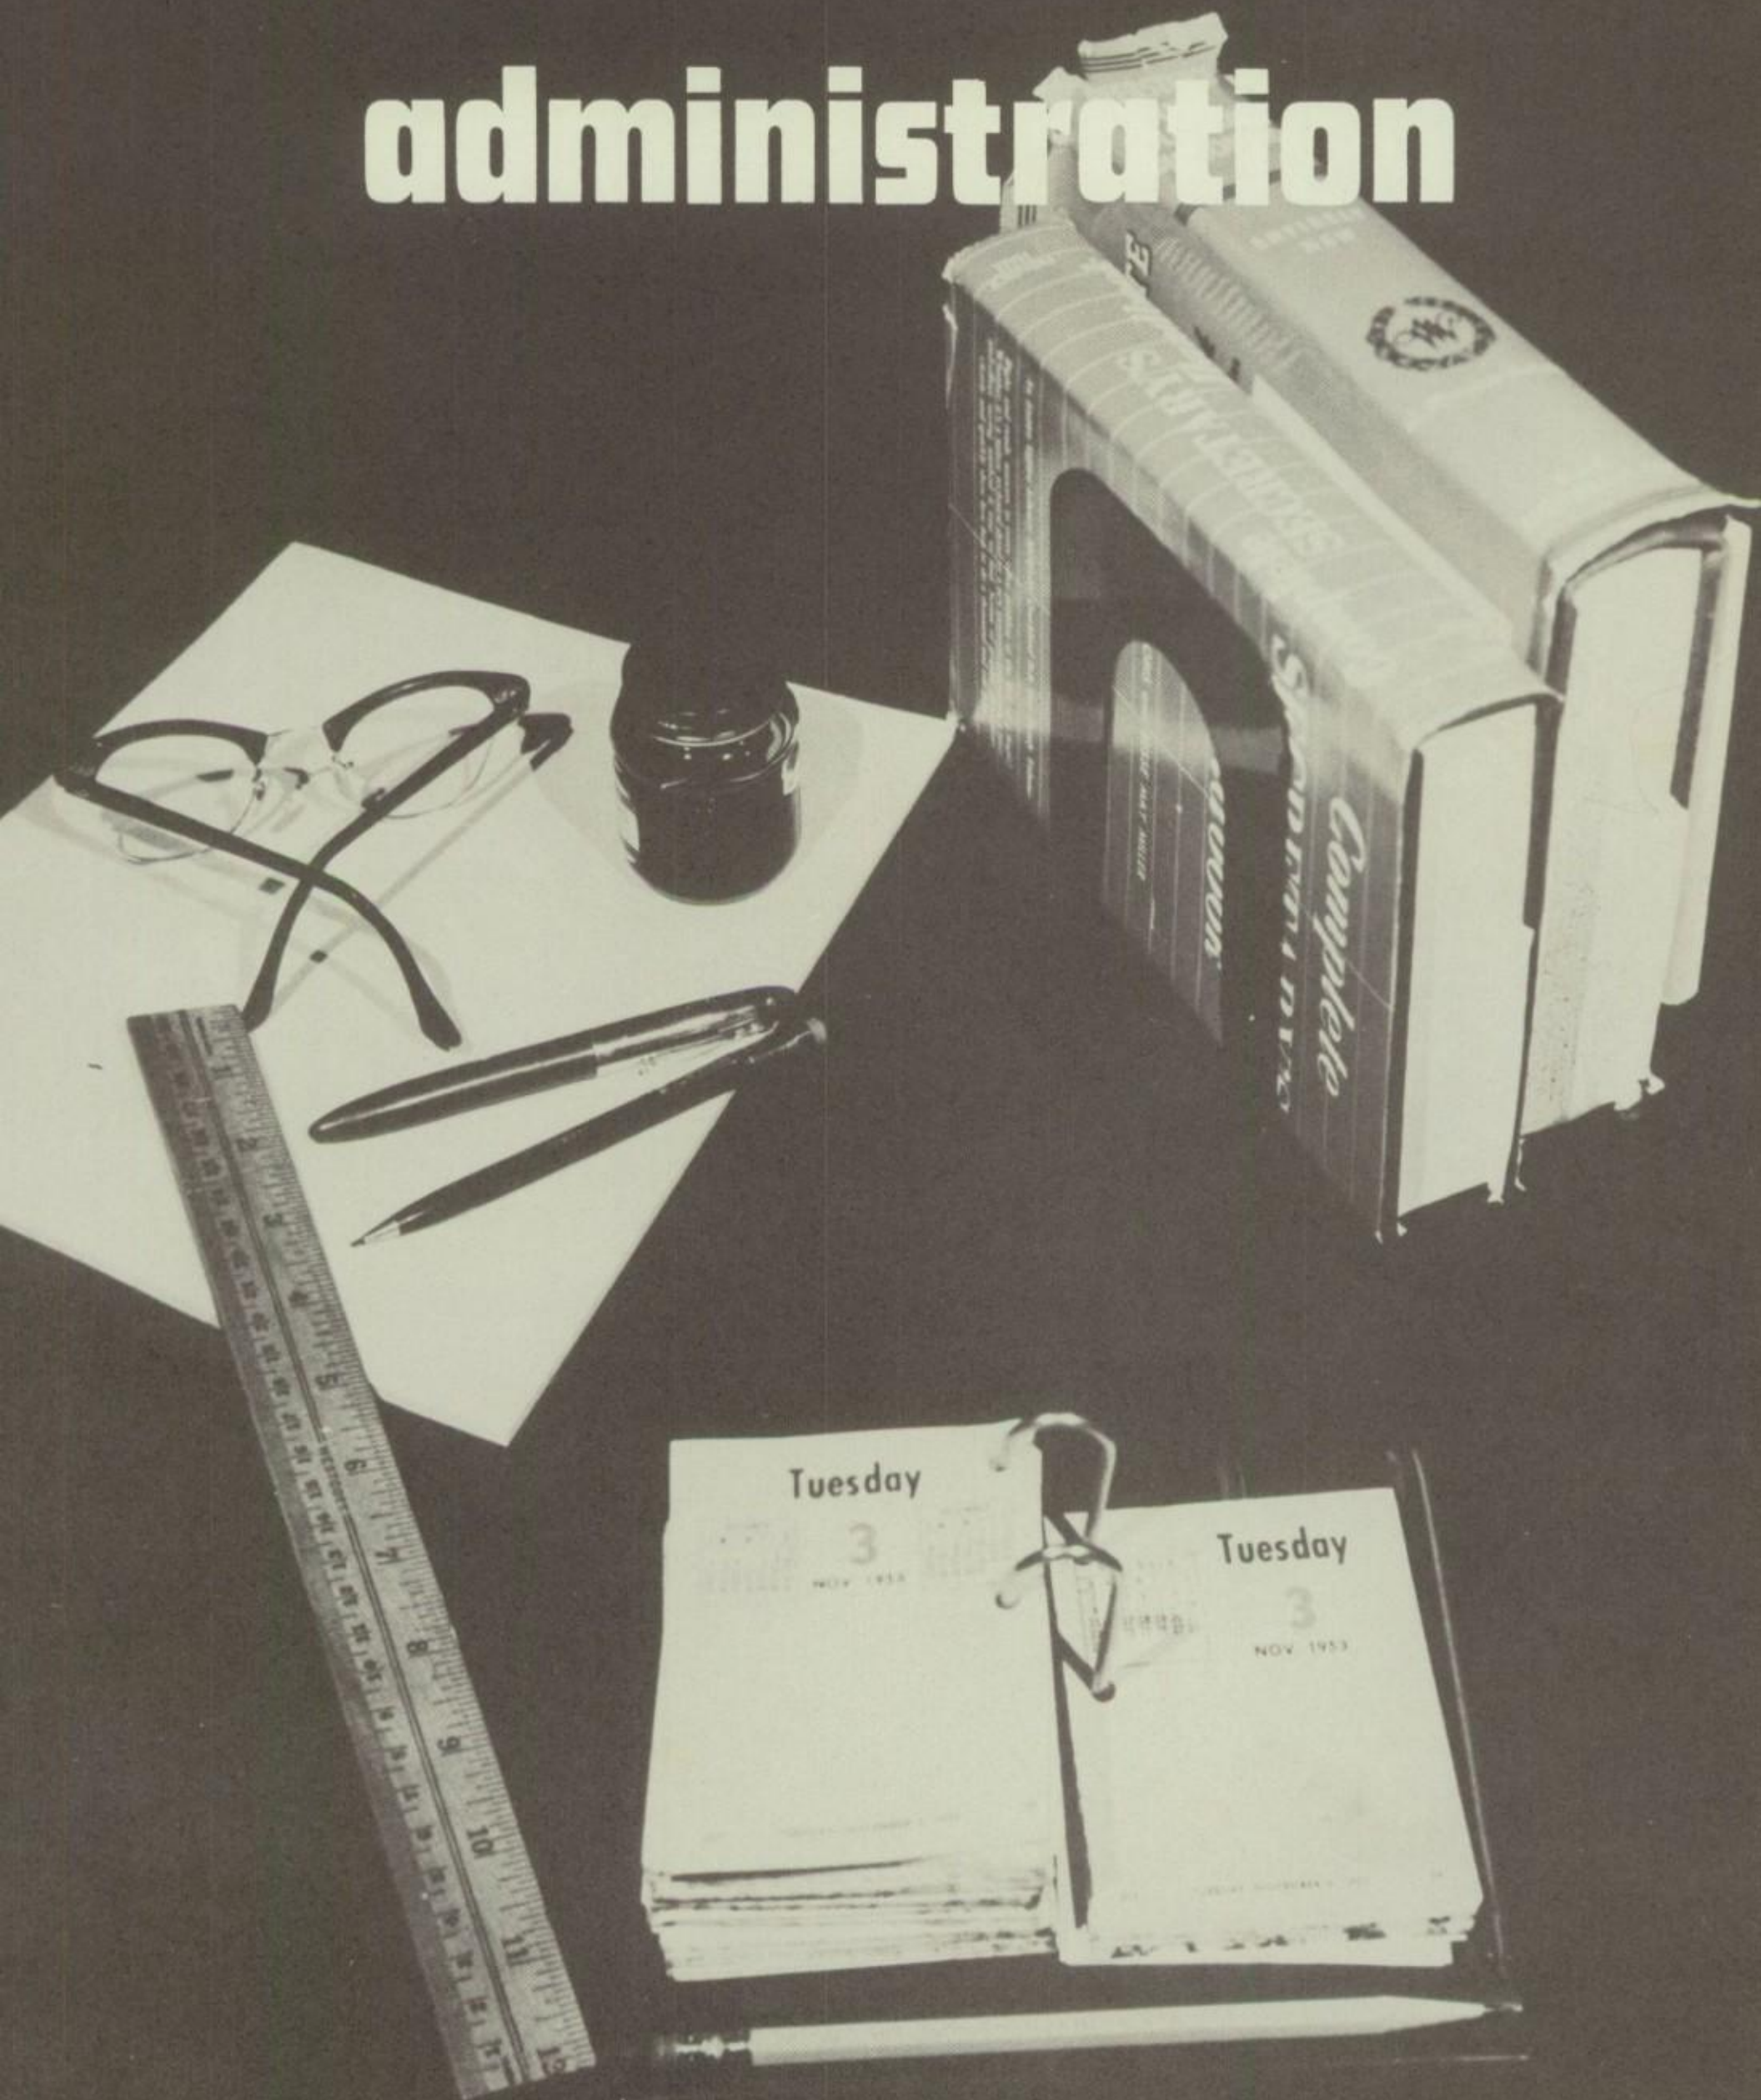

MRS. RUTH ALFORD GLEASON

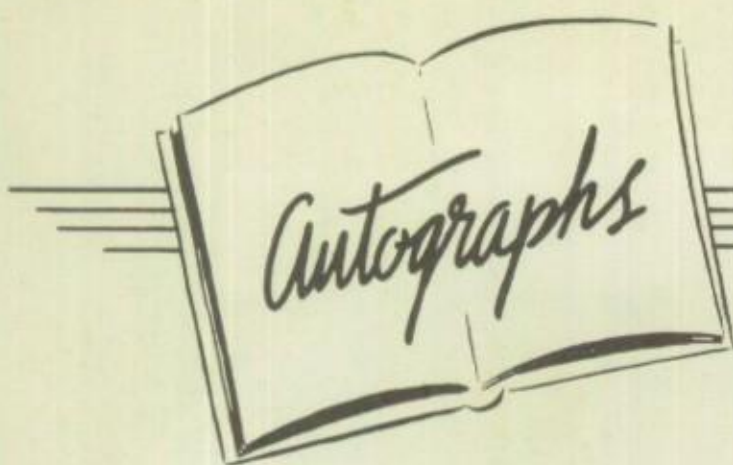

FOR E W O R D

On the pages of this book is written the story of one of the happiest years of our lives. Only when we look back to these days of living, working and playing together, will we realize their value. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1956 UTK staff that, as you look through this book in the years to come, you will recapture those moments, and may your enjoyment equal ours.
